Important Note

I. Gold Sponsors will be allocated 2 speaking slots in the program.

- A commercial message - 20 minutes.

(Note: PQSynergy has developed this strategy to keep the cost of attending the technical conference as low as possible. The feedback from our attendees has been 100% positive for the program).

- An application or case study of the sponsors' products - 20 minutes

(No commercial or direct sales presentation).

II. Silver Sponsors will be allocated 1 speaking slot in the program. This slot must be technical paper, an application or case study of their products only - 20 minutes (No commercial or direct sales presentation).

III. Exhibitors can present a technical paper only - 20 minutes.

Note: The technical paper cannot contain a sales pitch or commercial message.

III. Contributors will be allocated 1 speaking slot in the program. This slot must be technical paper, an application or case study of their products only - 20 minutes (No commercial or direct sales presentation).
